Dear Owens Corning™ Insulation customer,

Owens Corning Sales, LLC ("Owens Corning") will increase its prices in the United States on the following Fiberglas™ building insulation products **effective with shipments on or after August 8, 2016** as follows:

Product	Percent Increase
EcoTouch® Batts and Rolls	9%
Heavier density R15, R21, R30C, and R38C EcoTouch® Batts	11%
Manufactured Housing	9%
All loosefill insulation	9%
Basement Blanket™	9%
FSK 25 EcoTouch® Batts	9%

Owens Corning has made substantial investments into our product portfolio in recent years, delivering products and solutions with superior quality and value. In order to continue to reinvest in our product lines and maintain capacity to support growth in insulation demand, this price increase is necessary. We are providing this advanced notice to ensure ample time for you to plan your business.

To ensure product availability for our customers, we are limiting July shipments to a maximum of 120 percent of your average purchases during the months of May and June 2016. We will monitor our supply situation closely and advise of any further actions.

Order confirmations for full truckload orders with an assigned ship date prior to August 8, 2016 will receive current pricing. Less-than-full truckload orders subject to consolidated shipping on or after August 8, 2016 will receive the increased price. We will maintain fuel surcharges according to previously released schedules.

New price sheets will be issued prior to August 8, 2016 and your area sales manager will review the updates with you. Please reach out to your Owens Corning sales representative should you have questions.

Thank you for your continued support of Owens Corning products and the opportunity to serve you.
